

Formulating for a clean future.

Green Logic™ Degreaser

The **Green Logic™ Degreaser** is specially formulated as a fast-acting cleaner and degreaser that combines green emulsion surfactants and builders to handle tough cleaning. Use as around stoves, ovens, vents and walls or to general cleaning of floors and hard surfaces. Use to degrease equipment and machinery. The Cleaner has been included in the *DfE program.

- Ready-to-Use or Concentrate
- No Phosphates
- Alcohol & Ammonia Free
- Non-Corrosive
- Low VOC Levels
- Low Exposure Limits
- Non-Flammable
- Environmentally Sound
- Concentrate

***Design for the Environment (DfE)** is one of EPA's premier partnership programs that works with individual sectors to compare and improve performance and human health and environmental risks and costs of existing and alternative products, processes, and practices.

The DfE US EPA Green Chemistry Program promotes the research, development and implementation of safer alternatives to prevent pollution.

Sizes: 32 oz., 1 gal., 55 gal. drum

The **Green Logic™** brand symbolizes Core Products Co., Inc.'s commitment to green cleaning solutions.

Core is **formulating for the future™** by transforming the cleaning industry with innovative, green cleaning solutions.

Green Logic™ Degreaser

DIRECTIONS

Concentrate

1. Light Duty: 4 oz./gallon of cold water (1:32)
2. Heavy Duty: 12 oz./gallon of cold water (1:10)

Hold trigger sprayer 6-8 inches from the surface and spray area to be cleaned.

Allow product to penetrate soil and contamination. For better cleaning action, scrub or agitate with a sponge, cloth or brush.

Be aware that intentional misuse of product can cause eye and skin irritation. In case of eye contact, flush with water for 15 minutes. In case of skin contact, wash with soap and water. If irritation persists, seek medical attention.

Do not ingest! If ingested, drink large quantities of water and seek medical attention.

Storage:

Do not exceed storage temperatures of 95° F, but best between 35-85 ° F. Overheating may cause degradation of product and its effectiveness. Keep concentrate away from incompatible materials. Do not store around food, water or feed.

Contains: Water, Alkyl Surfactant blend and Sodium Carbonate.

- Phosphate Free
- Biodegradable
- Non-Flammable
- Non-Toxic

In Case of Spill:

Clean up immediately. Place container in well ventilated area. To clean up spill, flush area with large quantities of water. Avoid run-off into storm sewers and ditches leading to natural waterways.

Health: 1

Fire: 0

Reactivity: 0

Special: 0

VOC: 0.4%

pH: 7.5
