

Formulating for a clean future.

Green Logic™ Metal-Free Floor Finish

Metal-free floor seal and finish with advanced cross-linked polymer technology produces a high quality, modified acrylic polish (Zinc, a component of many floor finishes, is toxic to aquatic life in streams, rivers and lakes).

Environmentally preferable with increased finish durability reduces the need to strip and recoat frequently.

Superior detergent resistance, gloss retention and mark resistance is relative to conventional metal-free polishes.

- Ready-to-Use
- Non-Toxic
- Low VOC's
- Low Odor
- Biodegradable
- Durable High Gloss Shine
- Slip Resistant
- Non-Toxic
- Environmentally Sound

Safe for the user and the environment when used as directed.

Size: 1 gal., 5 gal., 55 gal. drum

This product meets the **Green Seal™** environmental standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content.

The **Green Logic™** brand symbolizes Core Products Co., Inc.'s commitment to green cleaning solutions.

Core is **formulating for our future™** by transforming the cleaning industry with innovative, green cleaning solutions.

Green Logic™ Metal-Free Floor Finish

DIRECTIONS

Preparation:

1. If stripping is necessary, use Green Logic™ Floor Stripper and follow directions. If floor does not need to be stripped, sweep up any debris and mop with a high quality neutral cleaner (Hydroxi Pro® Concentrate).
2. Rinse and allow floor to dry completely before applying finish.

Finishing:

Apply 3-4 coats of finish using a clean mop (finish application rate should be 2,000 sq ft per gallon). Allow at least 45-60 minutes of dry time between each coat. Apply an additional coat of finish for desired gloss.

Burnishing:

Sweep or dust mop the floor to remove any debris. Thoroughly clean floor using a high quality neutral cleaner such as Hydroxi Pro® Concentrate. For best results, use on an autoscrubber. Apply 1-2 coats of finish using a clean mop.

Contains:

Metal-free polymer emulsion, Diethylene Glycol Ethyl Ether, Tributoxo Ethyl Phosphate, Surfactant Blend, Water.

In Case of Spill:

Clean up immediately. Place container in well ventilated area. To clean up spill, flush area with large quantities of water. Avoid run-off into storm sewers and ditches leading to natural waterways.

Health: 1

Fire: 0

Reactivity: 0

Special: 0

pH: 8

RECYCLE! Completely empty container and do not reuse. Rinse and recycle at a local facility and dispose in accordance with local, state and federal laws.

Caution: Eye & Skin Irritant—Keep out of reach of children

Be aware that intentional misuse of product can cause eye and skin irritation. In case of eye contact, flush with water for 15 minutes. In case of skin contact, wash with soap and water. If irritation persists, seek medical attention.

Do not ingest! If ingested, drink large quantities of water and seek medical attention.
