Hydroxi Pro® PowerSafe™

DIRECTIONS

Renovation: Generously spray Power Safe™ to soak surface. Let stand for 10 minutes then scrub and wipe clean. Rinse with clean water to remove soil.

General Cleaning: Spray and wipe light soils. For tough soils, spray and let stand for 2-3 minutes before wiping clean

Keep Out of Reach of Children.

First Aid

Ingestion: Do not drink. If significant ingestion occurs, drink a large quantity of water and seek medical attention. Do not induce vomiting.

Eyes: If direct eye contact occurs, flush eye with clean water for 15 minutes. If irritation occurs or persists, seek medical attention.

Skin: Wash with soap and water. If irritation occurs or persists, seek medical attention.

Storage: Do not exceed storage temperatures of 95 degrees F. Best if stored between 35 and 85 degrees F. Overheating in storage may result in increased degradation of product and its effectiveness.

Contains: Hydroxi Pro® is considered to be a trade secret (proprietary blend of water, hydrogen peroxide, surfactants and orange oils).

Health: 0

Fire: 0
