

# Unbelievable!® Pro Stain & Odor Remover

An industrial strength, fiber safe formula that performs miracles on tough stains and odors.

Use on carpets, upholstery, clothes and non-washables, reappearing stains, walls, countertops and floors.

Enzyme activate to permanently eliminate odors—doesn't just cover them up! Formulated with stain repelling agents to prevent resoiling.

## Removes

- |              |                |
|--------------|----------------|
| Wine         | Tea            |
| Blood        | Cola           |
| Urine        | Cosmetics      |
| Vomit        | Dairy Products |
| Kool-Aid®    | Food Spills    |
| Berry Stains | Pet Stains     |
| Coffee       |                |

Sizes: 32 oz., 1 gal., 55-gal. drum

Use sparingly and in an inconspicuous test area first.

Be sure to take action as quickly as possible once staining occurs.

- No bleach or phosphorus.
- Non-caustic
- Non-flammable

# Unbelievable!® Pro Stain & Odor Remover

## DIRECTIONS

### Before Cleaning:

Test for colorfastness by spraying in an inconspicuous area. If surface fades or fiber color transfers to a white cloth, do not use. Test first!

### For Best Results:

Remove stains promptly after they occur and avoid over-wetting of carpets or fiber surfaces. Some stains will cause permanent discoloration even after cleaning.

**Do Not Mix with Bleach or use in conjunction with any household products.**

### For Carpets, Upholstery, Clothes, Non-Washables:

1. Spray stained area thoroughly, wait 60 seconds.
2. Agitate or rub area. Use a flat edge to remove excess stain material.
3. Blot or gently rub area with a clean, absorbent cloth.
4. Repeat until stain is removed. Blot any excess moisture. No need to vacuum; product dries quickly.

### For Reappearing Stains:

Repeat Steps 1-3; then place a clean, white cloth or paper towel over the treated area, followed by something flat and heavy like a stack of books. After a few hours, the towel absorbs excess stain residue and moisture that wicks to the top.

### For Washables:

1. Spray stain thoroughly, wait 60 seconds.
2. Agitate or rub fiber together.
3. Launder as fabric recommendations allow and repeat if necessary.

### For Walls, Countertops, Floors & Tile:

1. Spray stain thoroughly, wait 60 seconds.
2. Wipe with clean cloth or rinse thoroughly.
3. Repeat if necessary.

Ingredients: Ethylene Glycol Monobutyl Ether (CAS# 111-76-2), Isopropyl Alcohol (CAS# 67-63-0).
